KKJLS Members and Exhibitors,

I hope this letter finds you all well and ready to participate in the 2021 Kleberg-Kenedy Junior Livestock Show. As we all know, 2020 has been filled with many uncertainties and difficult situations. Because of the current status and projected increases in Covid-19 cases, The KKJLS board of directors has decided to modify the 2021 show schedule and event line-up. The decision to make these changes is not easy, but we feel it is in the best interest of all involved.

The show format will be “Show and Go” by species to minimize numbers of people and animals in the barn at any one time. More details will follow as times and schedules are finalized. The following will be removed from this years’ show: Parade, Adult Homemaking, and Youth Homemaking food entries (exhibitors will be allowed to change food entries to another category within the Homemaking division or request a refund). Also, there will be no Carnival, Concessions, or Vendors.

Your patience and understanding are appreciated as we work through these changes to make the 2021 show possible. Updates will follow as details are ironed out.

Sincerely,

Edward Bordovsky, Jr.
