

Kleberg-Kenedy County Junior Livestock Show Dedication Procedure

The following guidelines should be used for the process of selecting, if desired, a nominee for dedication of the Kleberg-Kenedy County Junior Livestock Show (KKCJLS) show in any given year. It should be noted that it is not mandatory to select someone to dedicate the show to every year but if there is a dedication it should follow these guidelines.

The President should appoint a three (3) to five (5) person committee to serve as the Show Dedication Nominating Committee. This appointment should be made after the election of officers along with any other committee appointments that are made by the president.

The Show Dedication Nominating Committee shall have the following duties and responsibilities:

1. Collect written nominations for eligible nominees from members
2. Submit eligible nominees to the board for consideration
3. Determine if the nominee meets the following requirements:
 - a. The nominee must support or must have supported the KKCJLS
 - b. The nominee is in good standing in the community

Nominations for the KKCJLS show dedication should be submitted in writing to any member of the Show Dedication Nominating Committee. The written biography of the nominee may contain past accomplishments, past support for the KKCJLS and any other information that the nominator feels will convince the Show Dedication Nominating Committee and the KKCJLS board of directors that the nominee is deserving of the dedication honor. All nominations must be turned in ninety (90) days prior to the KKCJLS check-in date to be considered. If no nominations are received by that date there will be no show dedication for that year.

Once the written nomination biography(ies) are received by the Show Dedication Nominating Committee they are reviewed and assembled for submission to the board of directors. ALL written nomination biography(ies) will be sent to all of the board of directors within eighty (80) days prior to the show check-in date. The board of directors will convene no less than seventy (70) days prior to the show check-in for the purpose of selecting, from the written nomination biography(ies), a person to whom the show shall be dedicated. Neither nominations from the membership nor nominations from the board will be considered unless they have been submitted to the Show Dedication Nominating Committee, in writing, prior to the ninetieth (90th) day before the check-in date.

The decision of the board of directors of the Kleberg-Kenedy County Junior Livestock Show association will be made from the nominees supplied by the Show Dedication Nominating Committee. The decision will be final.
